

Master of Business Administration (MBA) at the American University of Mongolia

◆ Program Overview

The MBA at the **American University of Mongolia (AUM)** is designed for ambitious professionals seeking to enhance their leadership, strategic thinking, and business acumen in today's competitive global market. The program is delivered **entirely in English** with the option of Mongolian translations and offers both **Hybrid** and **Online** learning formats to fit your schedule and lifestyle.

◆ Program Formats

Hybrid Track

- **Structured 18-month plan**, starting in **October**
- **Biweekly in-person sessions** on campus
- Access to **exclusive executive education** modules
- Includes **networking events**, professional development workshops, and personalized academic support

Online Track

- **Self-paced learning** model
 - Weekly uploaded lectures, quizzes, and assignments
 - Complete the program in **1 to 2 years**
 - Optional on-campus or online meetings with faculty and support staff
-

◆ Specializations

Customize your MBA by choosing one of two career-focused tracks:

- **General Business**
- **Data Science**

Each specialization includes a common set of core courses plus 9–18 credits of focused content tailored to your chosen field.

◆ Curriculum Highlights

- Levelling courses for non-business degree holders
 - Core business courses (Finance, Marketing, Business Intelligence, and more)
 - Specialization-specific advanced courses
 - **Capstone Project** integrating real-world application
 - **Professional Development Modules**, including executive education courses (for hybrid track)
-

◆ Who Should Apply

- Early to mid-career professionals looking to advance or pivot
 - Working individuals needing flexible study options
 - Graduates from business or non-business backgrounds (foundation courses available)
 - Public sector professionals
